

*Field and forest, vale and mountain, flowery meadow flashing sea,  
chanting bird and flowing fountain, call us to rejoice in thee.*

*Thou art giving and forgiving, ever blessing, every blest,  
Well spring of the joy of living, ocean depths of happy rest!  
Thou our Father, Christ our Brother, all who live in love are thine;  
Teach how us how to love each other, lift us to the joy divine.*

*Mortals, join the happy chorus stars of morning take your part;  
love divine is reigning o'er us, binding those of tender heart,  
Ever singing move we onward, victors in the midst of strife,  
joyful music leads us sunward in the triumph song of life.*

Benediction

Gordon Wilson

Now, Lord of all life, we move on into a world which needs the Jesus we know to come and bring help, hope and peace. Move every disciple to live according to the words of Jesus and welcome the opportunity to humbly serve the world. We embrace new life freely given and cast aside all that does not glorify you, O God. Now, may the grace of God in Jesus Christ our Lord, bless and keep us all, each day in the kingdom of God. Amen.
